The course had to be changed due to a new owner of Lucy's land between Hill Lane and Upperthong Lane. The new diversion route chosen is up Hill Lane, down Upperthong Lane, along Binns Lane, up a steep link path back to Hill Lane then up to diversion start corner up the Lane. Little change in times despite extra 350m to run. The weather was clear and mild with a cool prevailing wind and the ground just right for studs.

Many thanks are due to Norman Berry having retired after 10 first class years of race director and a welcome to Chris Whitelegg who has taken up the challenge of organising our historic Tinker Cup race.
