11th March 2007

Dear Runner

Thankyou for entering and running the Ian Roberts Memorial fell race today. Holmfirth Harriers AC take great care and pride in organising races and events in general. Much consideration is given to the safety and welfare of all competitors when organising all events I feel that today we let ourselves down and in doing so hosted a less than acceptable event.

Please accept my apologies for any shortcomings which may have occurred today and please be assured that we shall endeavour to ensure that standards remain high in the future.

In March 2008 we shall stage this event again as part of the celebrations for our club centenary year and we look forward to seeing you there.

Yours Sincerely

Ashley Smith
President

Reply in General:

Someone has commented that odd numbers were allocated when we ran out of the series 1-100. Let me assure you that odd numbers were not allocated. The next series was 233-285 and all the numbers were checked in to the 149 who finished plus the DNF runners.

There was a marshal taking all the numbers halfway round and there were other marshals around the course. On top of that a sweeper followed the last runner.

We fell short of our normal good organisation and our President has written the attached apology.

The wrong direction was taken by the first 42 runners because some walkers on the Pennine Way sent them in that direction and unfortunately a key piece of tape had either been blown away or been moved by walkers.

Tim Cock
For Holmfirth Harriers

**Race results – Ian Roberts Fell Race Marsden 11 March 2007
Including the Yorkshire Veterans Fell Championship**

Position	Name	Club	Cat.	YVAA	Time
1	Karl Gray	Calder Valley	M35	*	53.58
