On behalf of Holmfirth Harriers may I thank you all for taking part, the turn out was absolutely brilliant, over 90 runners competing, so was the effort and enthusiasm. An incredibly close thing with the three fasted teams within 50 seconds of each other all under 45 minutes, 156ers just posting the fast time, and also at the other end of the table 30 seconds between Runner Beans and the Desperados. A remarkable standard of running with the first 11 teams coming in under the hour. A big cheer for our youngest runner Jack ably assisted by our own Katie, brilliant effort well under the hour. An extra big cheer for our one fancy dress team great to see them, running well done.
