Results for Tinker Cup 2010

18 December 2010

Members of Holmfirth Harriers contested the annual Tinker Cup race on Saturday 18 December 2010, over a course that started and finished in Honley Recreational Ground and covered the usual course across to Oldfield, Dean Brook, Netherthong, Mark Bottoms, Upperthong as far as Park Head, Holmfirth before retracing the course back to Honley. There was a good attendance on an extremely cold day with temperatures remaining below freezing, presenting a real challenge for the oldest race in the Club's history, which dates back to 1908, thanks to the support of local landowners who allow the Club to use the historic course.

There were 76 entries for the race including 23 ladies, 8 novices who have not contested the race previously and 7 guests. Twenty-nine year old Alistair Langron who first joined the Club twenty years ago set-off in determined style, followed closely by Richard Anderson and some of the Club's fell specialists. Langron maintained his lead throughout the race and crossed the line in a time of 44.35, with Anderson 2nd in 45.25 and Bill Stewart 3rd with a time of 45.52. The next two places were closely contested with Alistair Reece and Gavin Baxter recording the same time of 46.25. Julian Rank was 6th in 47.00 and a storming run by Holmfirth's leading lady saw Katie Walshaw finish first lady in 7th overall with a time of 47.50 to retain the Norman Haigh Trophy. The prestigious Tinker Cup was won by John Levick who finished 15th overall in 51.19, his handicap time of 8 minutes, clinched the cup by 42 seconds, ahead of Wayne Byram 11th overall (Actual time 49.31, Handicap time 44.01) and Alistair Langron who was 3rd on handicap (44.05), winning the Ian Roberts Memorial trophy for the fastest time. Kath Farquhar was second fastest lady (54.17) 23rd overall and Lucy Griffiths third fastest lady with a time of 55.15 in 26th place. The winners of the novice prizes were Richard Anderson who had a great run finishing 50 seconds behind Langron and Deborah Hall who finished 45th place (1:01:17) and 12th on handicap.

Actual Time Position	Number	Surname	Forename	Novice/ Guest	Handicap	Actual Time	Handicap time	Handicap Position
