YVAA EVENTS REMAINING IN 2022

Sunday 6th November 10.00am Meltham YVAA Fell Champs/Cop Hill FR

Some events attended by members in October

National Road Relays, Sutton Park

This is a fantastic event and if you ever get a chance to take part then it is well worth the longish journey for the experience.

As you can see by the team below we managed a team by making use of runners that I'm sure they would agree are far from the fastest female runners in the club but a clash with the first WYCC of the year meant those that would normally run chose the CC.

Well done to the whole team for representing the club.

On leg 1 Nicola Brown F50 came in 74th in 19:02. On leg 2 Amy Smith picked up 3 places to finish 71st in 19:04. Leg 3 runner Diane Baldwin F60 made up 3 more places to finish 68th in 20:35 and on leg 4 Becky Burdon F45 held on to her position finishing 68th in 22:28

This new venue for our 10K organised by Michael Sanderson from Hade Edge saw a good number of Harriers taking part.

Just after the start with several Holmfirth runners towards the front.

Don't forget no need to be shy! If you have taken part in any event let me know (+photos if you have any) and I can highlight your achievement.

British Fell Relays at Broughton in the Scottish Borders

Three teams made the long journey up to Scotland for this event. Loads of photos on Facebook but as you can see the team was virtually all Vets with the oldest member being Bill Hunter who ran at 75 years young! The Open team (virtually all V50's) of Adam Sunderland, Gavin Baxter

Jamie Wood, Jim Durrans, Chris Beadle & Ian Goulding finishing 119th overall, the Mixed team of Katie Walshaw, Helen Haigh, Philip Hewitt, Tim Street, Tim Brook, & Sophie Cromwell finishing 4th Mixed team (70th overall) and last, but not least, the Ale Stars of Karen Sinkinson, Andy Hauser, John Ewart, Andy Shaw, Julian Rank & Bill Hunter rolling back the years, finishing 144th overall but more importantly 2nd V60's, scooping some excellent beers & vouchers!

I'll try and add any I missed in the November issue.
