YVAA EVENTS REMAINING IN 2022

The YVAA GPs are finished for 2022 and we are now planning this multi-terrain series for next year. The various Championships have also all been completed. All the results are on the YVAA website at www.yvaa.org.

The first race next year is likely to be the CC Championships at Beverley Racecourse on Sunday 12th March, so put this in your diary.

Some events attended by members in October

Apologies, I somehow missed a team out of the report last month so have copied in again.

Cop Hill Fell Race / YVAA Fell Champs

An excellent turnout at Cop Hill this year with 22 Holmfirth Harriers tackling the two-lap course. The race started in brilliant sunshine and very mild but then turned to steady rain on the second lap. Conditions underfoot were good to start but got a bit greasy in rain but not the deep mud often experienced. Loads of prize winners. Well done to all that took part.
